<p>28</p>	<p>29</p>	<p>30</p>	<p>Abuse Prevention Tip of the Month: You are in control of your own money, and that includes points cards. The points collected on cards belong to the person or people who own that account. So, if a points card gets forgotten at home, someone else shouldn't substitute their own card for your purchase because then they get the points that should have been yours. Also, people can only redeem points for purchases that would belong to all the account holders.</p>
